Clothing and Equipment

WAKO has approved the following to be valid in 2017 / 18 / 19 Kickboxing Season. In the interest of consistency, health and safety and the setting of defined standards. WAKO IF has got approval of the following suppliers and products. Going forward only Trocellen Tatami is acceptable at WAKO Events Worldwide.

It is very important and sometimes even crucial to attract the interest of the Spectators and Media facilitating the follow-up of competition through introducing new elements which might at the same time contribute to provide good sports show and achieve the proposed goals and clarity. In relation to this and as an innovation, for the year of 2017, the following will be incorporated:

At All World and Continental Events clothing as described below must be worn and used. The authorized suppliers to commercialize these clothing models, are the currently Two Brands approved by WAKO – **Adidas & Top Ten**. Each Sponsor is granted by WAKO the authority to sell their equipment in each WAKO member country, without hindrance or blocking.

**** Note going forward only Red and Blue equipment from Adidas and Top Ten can be worn at World and Continental Championships. Each Athlete should ensure he/she has one set of each colour, as WAKO will only have a limited supply for use at each event. From 2018 all athletes attending WC and EC will be required to have their own set of Equipment.**

**** Only WAKO Approved Safety material may be used at ALL WAKO Events, Locally, Nationally and Internationally****
